

Holiday Decorations

You can begin to decorate the weekend after Thanksgiving.

Only shrubs that are next to the buildings can be decorated. The landscapers trim constantly and we do not want any electrical wires in their way.

NO DECORATIONS ARE ALLOWED ON THE ROOFS OR COMMON AREA TREES. (automatic fine of \$100.00 if found)

If you have a 2-story unit and you can get to second story with a ladder and not by way of the roof, then you can have decorations on this area only.

No one is allowed on the roof.

Lights must be attached under the eaves and not with nails, screws or hooks. You can use a stapler or self adhesive tape. **All staples/tape must be removed when decorations are removed.**

ALL DECORATIONS MUST BE REMOVED BY WEEKEND FOLLOWING NEW YEARS.

**YOUR BOARD OF DIRECTORS WISH
YOU A SAFE AND HAPPY HOLIDAY**
